Hosting Upgrade Appeal

The Tap has become increasingly busy over the last few weeks with many more visitors and sign ups. It's currently creaking and slowing. We need a hosting account upgrade to help cope with the increased activity and keep this free blog online. It would be sad to lose it but it costs to keep it going and free to use. If any of you can help donate even a small amount towards the hosting upgrade that would be a big help. Thank you. [Click here to donate](#)

"The people, and even their governments shall be as children, under age."

Protocols of Zion 15

We are children trapped in a mental prison forbidden to name the malady that ails us.

Continues with more headlines and links ...

"The historical mission of our world revolution is to rearrange a new culture of humanity to replace the previous social system. This conversion and re-organization of global society requires two essential steps: firstly, the destruction of the old established order, secondly, design and imposition of the new order. The first stage requires elimination of all frontier borders, nationhood and culture, public policy ethical barriers and social definitions, only then can the destroyed old system elements be replaced by the imposed system elements of our new order. The first task of our world revolution is *Destruction*...."
